Dear Patrick and Team:

On behalf of all of our Families, thank you for your very generous donation of **\$5404.34 to our Research Trust Fund (via check# 1675)**. Your donation **given on April 12, 2017 as part of your Everesting Fundraising Bike Ride**, will assist us in continuing our worldwide efforts to provide emotional support and networking, practical information, and Medical Updates to inform families of new developments in screening, diagnosis, research and treatment. Your donation will also help us toward our goal of raising more funds for FOD clinical training and research endeavors, as well as offering Conferences for our FOD Families and free of charge grief support to bereaved parents and families. Thank you for thinking of our Families!

Take care...

Deb Lee Gould, MEd
