

INSTRUCTIONS FOR COMPLETING ANNUAL UPDATE OF REGISTRATION AND FORM:

This form, along with several other documents listed later in these instructions, must be completed and filed for annual updates of registration. Annual Registrations are due 6 months after the end of the organization's fiscal year. There is no need to complete this form if this is your organization's initial registration. If this is the organization's initial registration, please complete the form COR-92.

If your organization's IRS Form 990 or 990-EZ is not complete at the time the organization's annual registration is due, please submit a copy of the IRS Form 8868, the IRS request for an extension of the IRS Form 990 or 990-EZ filing deadline. As long as your organization does not owe any documentation or registration fees from prior fiscal years and does not owe a late fee, we will grant an extension for the filing of your annual update of registration with our office. The extension of the filing deadline for Maryland will be extended to the same date provided on the IRS Form 8868 (*For example, the organization's fiscal year ends in December and it must file its 990 or 990-EZ with the IRS by May 15th of the following calendar year. If the organization files an IRS Form 8868 seeking an extension of the filing deadline with the IRS until August 15th and sends a copy of that extension request to us, we will grant an extension for your Maryland charitable registration deadline. The new filing deadline with our office would also be August 15th.*) This extension that we grant is for all information due on the annual update of registration, not just the 990 or 990-EZ.

You will receive a letter from this office in response to your filing of the annual update of registration documents unless you are filing an extension. If the annual update of registration filing is complete, you will receive your registration letter which will provide your next registration due date. If the annual update of registration filing is not complete, you will receive a letter requesting additional documentation (we may try to call or email you as well).

Note: This form used to be two separate forms: the Annual Update of Registration form and the Certification form.
