

**AFC will donate \$3k to the BYC cross race. This money will come from our 2016 AFC Corporate Sponsor donations that were originally marked to go to Destiny Diabetes. After the race is over, BYC donates \$1500 back to AFC from the race proceeds, which will be sent to Destiny Diabetes. BYC will advertise to their team that they are working with AFC to help raise money for the diabetes camp that helps to teach children with diabetes how to live healthy / athletic lifestyle while maintaining control over their disease. AFC will mandate that the donated money to BYC (assuming their race does not lose money) will, at least in part, go toward a scholarship program to provide BYC slots to kids with economic barriers to joining.**
