The cost of the trailer rental is \$300 per event.

Driver/Promoter responsibilities:

I understand that I will be responsible for the trailer and Cyclocross kit while in my possession. All contents (majority listed below) and their condition will be my responsibility. I understand that, by law, a trailer is covered by the tow vehicle's auto insurance. By signing below I certify that my auto insurance is current and I hold a valid driver's license.

The driver/all users/promoter hereby agrees to indemnify and hold harmless the registered trailer owner, any park, private land owner or land authority, their officers, agents, all employees, and volunteers from any and all claims for bodily injury, and personal injury, and/or property damage, including cost of investigation, all expenses of litigation, including reasonable attorney fees, and the cost of appeals arising out of any claims or suits which result from errors, omissions, or negligent acts of the user, his agents or employees.

I agree to return the trailer, and its contents, to its origination after my usage whether it's back to the storage location or to the next promoter. In the event that the trailer or equipment is damaged or lost I will notify someone immediately and be responsible for the replacement or repair of any items.

By signing below I have read the statement above. I take full responsibility in returning the trailer and I assume full responsibility of its contents. This document serves as legally binding document and will hold up in a court of law. In the event that the following promoter does not pick it up, I will return the trailer back to its storage location within 5 days.
