The Little Things For Cancer

The Little Things is dedicated to improving the quality of life for cancer patients and their caregivers. We understand that the needs of each person are unique and will be different throughout the process of receiving care. We offer support to each family based upon their particular needs at that time. Our goal is to

improve the quality of life by reducing stress and anxiety for the person affected by cancer and those closest to them.

Kupenda For The Children

Kupenda for the Children assists children with disabilities by paying school fees via one-on-one sponsorships, constructing special needs facilities, funding medical intervention, providing school supplies and medical equipment, creating awareness in the community, strengthening local churches for advocacy and assistance, and staffing qualified help for the children in need. This assistance not only helps children with disabilities to grow, learn, and adapt, but it creates awareness among parents and within communities that disabilities might be used "so that the work of God might be displayed in his/her life" (John 9:3). Our ultimate goal is that these children will know and feel that they are loved and accepted.

Venue and Course:

Rockburn Cross is located within **Rockburn Branch Park**; a multi-use facility situated conveniently off I-95 in the Baltimore/Washington Corridor. There are plenty of activities for spectators and family between races, from a children's playground to a **Playground** for anyone who loves bikes. There will be a beer garden with offerings from Jailbreak Brewing, Belgian waffles, burgers and vegetarian fare from Upslide Down Dave.

The course will be similar to those in years past, in that it will be a blast! Anyone who has raced Rockburn knows the super-fast and swoopy trails, the power sections, the off-camber roller coaster around the soccer fields, the hills and the sand. All that and a few surprises await racers.

Registration

:

Pre-register online at BikeReg.com opens on Sunday, October 12th at 8:00 pm and closes on Thursday, November 13th at 10:00pm.
